Dear Beekeeper:

Please fill out the enclosed **WISCONSIN HONEY BEE IMPORT REPORT** (printed on reverse side) if you are planning to ship bees to Wisconsin in 2016. Please ask your local apiary service to forward a valid inspection certificate, or you may submit a photocopy of the valid certificate with this report. The inspection certificate and Honey Bee Import Report must be sent to the Wisconsin Apiary Program before your first shipment of bees. A valid inspection certificate is based on an inspection within the last 12 months.

If you were inspected in Wisconsin in 2015, please note that on your Wisconsin Honey Bee Import Report in the paragraph below your contact information.

Feel free to contact me with any questions or comments,
